### Kit list

*Cubs should be encouraged to pack their kit themselves so that they know what is in their bag.*  
Please keep kit to a minimum, remembering that the Cubs have to carry their bags through Chichester

***Please make sure that all your gear has your name in it***

**Make sure all your kit has your name in it**

Please note that this is a very much reduced kit as Cubs will have to carry their own bags through Chichester and look after them on the train. We expect to wear uniform throughout although sweatshirts can be removed when we get to the hall on Saturday. Our normal bedding rolls may not be best for this camp where ideally all kit will be in a single bag that the Cub can carry on their back or can be wheeled.

We need one every time we go away, even if you have only completed one recently for another event.
