

Learn and use at least four home skills

The skills listed are used in everyday life around the home. Make sure that Cubs are appropriately supervised by an adult when doing these things.

These skills can be completed at home and pictures or other evidence brought in.

Cub name:	
Task	Validation
Sew on a button or badge	Bring in or parent sign off. <i>Most Cubs already completed this when preparing St George's day costumes</i>
Make cakes, bread, biscuits or something similar (and clear up afterwards)	Bring in for leaders to sample. <i>Most Cubs already completed this making gingerbread last Christmas and we will do in pack meetings again this term</i>
Oil a bicycle chain, change a wheel or fit lights	
Make a cup of tea or coffee, then wash up afterwards	
Lay a table for a meal	
Peel potatoes or other vegetables	
Iron your scarf	
Change a light bulb, in a table or standard lamp	
Clean a window	
Tidy and clean your bedroom	

To mark as complete a parent or other adult should write in the validation box to say what has been completed and a date, e.g. *made tea and washed up, 22 Aug* and then sign the declaration below

I certify that the Cub named above has completed the tasks shown to a suitable standard to complete that item of the Skills challenge

Signature of validator and name
